Information about your trade licence

According to our records, you held a trade licence(s) during the period between April 2021 and March 2023.

Unfortunately, there was an issue with the rate of vehicle excise duty (VED) that was applied to trade licences (not including motorcycles) during this period. This means that you overpaid for trade licences during 2021/22 (by £5 per trade licence) and 2022/23 (by £15 per trade licence).

We apologise for this error. Please find below a payable order as reimbursement for the overpayment of duty for each trade licence issued to you during the period.

If you have any questions or concerns about this matter, you can call us on 0300 300 1495. Opening hours for this service are 8am to 4:30pm, Monday to Friday.

Yours sincerely,

Anthony Bamford
