TRADE BROCHURE

Founded in 2001, Bespoke Leisure has grown to become one of the few companies in the UK and Ireland to hold Type Approved Campervan Manufacturer status — a mark of quality, safety, and compliance in the leisure vehicle industry.

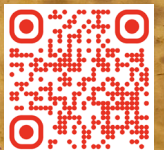

Dealer Benefits Include:

- Vehicles delivered to dealers unregistered, guaranteeing the end customer is recorded as the first registered keeper
- Competitive Pricing & Dealer Margins
- Volume Discounts
- POS & Marketing Materials
- Aftersales Support
- Training (on-site or virtual)
- Conversion Warranty that aligns with the Existing Ford/VW Mechanical Warranty
- Stock finance options available including DF Capital, we'll handle your introduction

DF Capital

JOIN OUR NETWORK

ACCREDITATIONS

Bespoke Leisure hold all major approvals including the below:

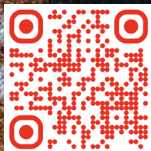

Whole Vehicle Type Approval for the Ford Transit Custom and the New VW Transporter T7.

This approval ensures that motor vehicles intended to be placed on the market for consumers meet relevant environmental, safety and security standards. This also means our vehicles are registered by the DVLA as 'Motor Caravan/M1'.

NCC Approved - We adhere to British & European standards for the leisure industry. All our vehicles proudly carry the NCC Badge.

VW Qualified Converter - We are a certified Motorhome Qualified converter of VW Commercial Vehicles. We are 1 of only 6 manufacturers in the UK and Ireland to have proudly achieved this status.

Our new vehicle warranty is **3-5 years**, consistent with Ford & VW Mechanical warranty's.

MANUFACTURING

We've recently relocated to a new, purpose-built facility that showcases our commitment to innovation and quality with the manufacturing capacity of building 1000+ vehicles per year.

Outfitted with the latest in manufacturing technology, this move enhances our ability to deliver exceptional products and service.

Our showroom and forecourt are open to all customers, offering a close-up look at the craftsmanship and attention to detail that define our work.

The space also provides a professional setting for dealer training sessions and product launches, supporting both learning and collaboration.

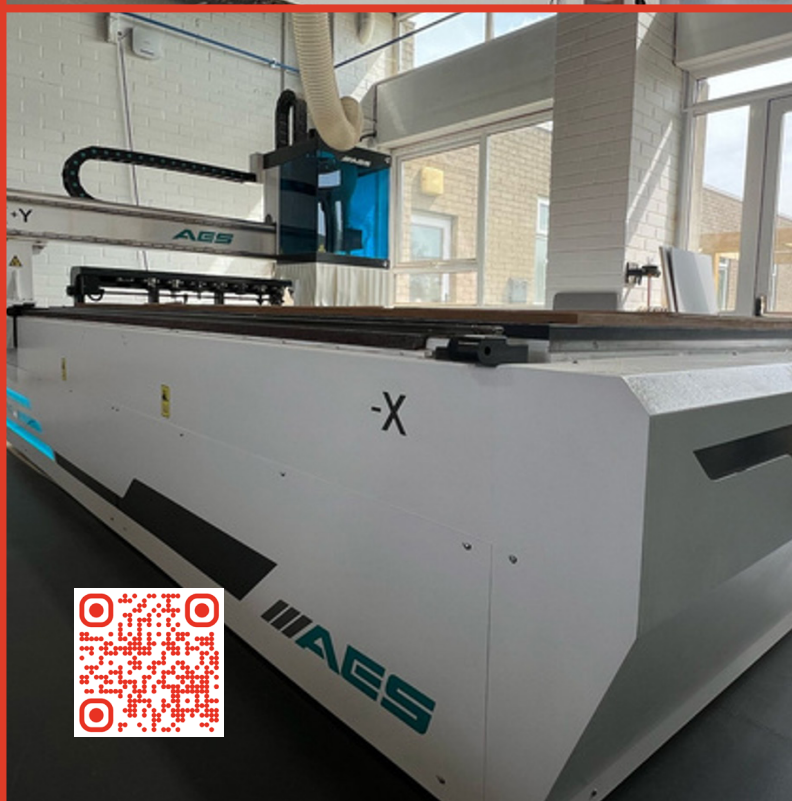

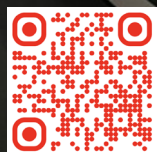

Our factory is equipped with state-of-the-art machinery and precision tools, enabling us to carry out all woodwork entirely in-house.

This ensures complete quality control and unmatched attention to detail at every stage of production.

We use only premium-grade materials in all our builds, delivering durability, aesthetic excellence, and long-lasting performance.

With a dedicated R&D team on-site, we constantly explore new methods, materials, and design innovations — ensuring our products stay at the forefront of craftsmanship and functionality.
